Citicorp Merchant Bank Limited

(Barbados Branch)

Financial Statements

December 31, 2007

Independent Auditors' Report

To the Members of Citicorp Merchant Bank Limited

We have audited the accompanying financial statements of Citicorp Merchant Bank Limited (the "Branch"), set out on pages 3 to 42, which comprise the balance sheet as at December 31, 2007, and the statement of income, statement of changes in head office account and reserves and the cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion
In our opinion, the financial statements present fairly, in all material respects, the financial position of the Bank as at December 31, 2007, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.
