**Independent Auditors' Report**

**To the Shareholder of International Energy Bank Limited**

We have audited the financial statements of **International Energy Bank Limited** (the "Company") for the year ended 31 December, 2007 which comprise the profit and loss account, the balance sheet and the related notes. These have been prepared using the accounting policies set out therein.

**Respective responsibilities of Directors and Auditors**

The Directors are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland) issued by the United Kingdom Auditing Practices Board. This report, including the opinion, has been prepared for and only for the Company's shareholder for its statutory filing requirements with the Commissioner of Inland Revenue and other government authorities in Barbados, and for no other purpose. We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the United Kingdom Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
