NOTICE NO. 1356

In compliance with Section 51(5) of the International Financial Services Act, 2002-5, reproduced below is the auditors' report on the financial statements of GraceKennedy Money Services Caribbean SRL for the year ended December 31, 2009.

INDEPENDENT AUDITORS' REPORT**To the Members of
GraceKennedy Money Services Caribbean SRL**

We have audited the accompanying non-consolidated financial statements of GraceKennedy Money Services Caribbean SRL which comprise the non-consolidated balance sheet as of December 31, 2009 and the non-consolidated statement of comprehensive income, the non-consolidated statement of income, the non-consolidated statement of changes in equity and non-consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these non-consolidated financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the non-consolidated financial statements present fairly, in all material respects, the financial position of GraceKennedy Money Services Caribbean SRL as of December 31, 2009, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.
