AUDITORS' REPORT

To the Shareholder of CIBC Offshore Banking Services Corporation

We have audited the accompanying balance sheet of CIBC Offshore Banking Services Corporation as at October 31, 2010, and the statements of income and changes in equity and cash flows for the year then ended. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the company as at October 31, 2010 and of the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
