CONSUMERS'
GUARANTEE
INSURANCE

chairman's REPORT

Our performance for 2013 was indicative of the broader Barbados economy. Gross premium income shrunk by 4% and increases in claims settlements and reduced reinsurance commissions contributed to an overall loss of \$995,729.

At year end, our Statutory funds remain overfunded and we are also in excess of our solvency margin requirements. All reinsurance treaties have been renewed for 2014 with approved reinsurers rated "A-" or better by AM Best and arranged through AON Benfield.

During the year the Company revamped its entire technology platform with a view to increased efficiency and provision of new online services to customers. As a result of these improvements, many new initiatives are already gaining traction. We anticipate achieving growth to our top line premium income as well as a significant turnaround in profitability in 2014 despite the challenging issues facing the economy.
