Guardian General Insurance Limited
Non-Consolidated Financial Statements
 For The Year Ended 31 December 2015

(Approved for Release at HMRC and Filing Office)

Independent Auditors' Report

To the Shareholders of Guardian General Insurance Limited
 We have audited the non-consolidated financial statements of Guardian General Insurance Limited, which comprise the non-consolidated statement of financial position as at 31 December 2015 and the related non-consolidated statement of comprehensive income, changes in equity and cash flows for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements
 Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these non-consolidated financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. These standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the non-consolidated financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence

about the amounts and disclosures in the non-consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatements of the non-consolidated financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the non-consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the non-consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the non-consolidated financial statements present fairly, in all material aspects, the financial position of Guardian General Insurance Limited as at 31 December 2015, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.
