Summary Financial Statements for the Year Ended March 31, 2016

CHAIRMAN'S STATEMENT

Resolution Life Assurance Company Ltd. (ResLife) was incorporated on July 31st, 2015 as part of a rescue plan for CLICO International Life Insurance Company (CIL) which was placed under Judicial Management in 2011. The financial information presented herein represents the results of operations for ResLife for the eight (8) month period ended March 31st, 2016.

As at March 31st, 2016, the insurance portfolio was not yet transferred to ResLife from CIL. Consequently, ResLife did not engage in policyholder insurance operations. Total assets, which primarily reflect initial acquisitions in preparation for the transfer are recorded at \$3,024,282.

The Company incurred a comprehensive loss of \$128,768 for the period. This loss is due to initial setup costs and the absence of insurance revenue. It is a wholly owned subsidiary of New Life Investment Company and is capitalised through common equity investment.

ResLife will continue to build institutional capacity and upon receipt of the life insurance portfolio from CIL, will seek to engage with all stakeholders and particularly policyholders with a view to facilitating the envisaged rescue plan. The Company intends to build on the goodwill associated with the initiative and looks forward to working with policyholders and all other stakeholders.
