Our opinion

In our opinion, the accompanying summary financial statements of Trident Insurance Company Ltd. (the Company) are consistent, in all material respects, with the audited financial statements, in accordance with management's established criteria as described in Note 1.

The summary financial statements

The Company's summary financial statements derived from the audited financial statements for the year ended June 30, 2017 comprise:

- the related note to the summary financial statements.

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The audited financial statements and our audit report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated October 27, 2017

Other information

Management is responsible for the other information. The other information comprises the President's report but does not include the summary financial statements and our auditor's report thereon.

Our opinion on the summary financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the summary financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the summary financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance. We have nothing to report in this regard.

Responsibilities of management for the summary financial statements

Management is responsible for the preparation of a summary of the audited financial statements in accordance with management's established criteria as described in Note 1.

Auditor's responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing 810 (Revised), 'Engagements to Report on Summary Financial Statements'.

President's Report

Our 2017 financial year was another challenging one, given the difficult economic climate.

Management again expended significant energies to mitigate the effects of continued discounting of premiums in the market. These efforts resulted in a 6% increase in gross premium written. We were also able to garner a 25% reduction in net losses incurred as compared to the prior year. The foregoing, combined with containment of administrative expenses (a 2% reduction), were pivotal in achieving net profit this year.

The investment environment continued its downturn with respect to yields, but careful navigation resulted in an increase in investment income.

During the coming year, management remains committed to pursuing its strategies for building its base, continuing best practices in compliance, maintenance of solid internal controls and stakeholder satisfaction.

As customary, Trident's reinsurance treaties are placed only with Standard & Poor's and A.M. Best "A" Rated companies. Our treaties are placed by Aon Benfield, one of the largest reinsurance brokers in the world. As in previous years, the company's provisions for losses were certified by its independent external Actuaries.

We continue to comply with all Statutory Fund and filing requirements under the Insurance Act and Companies Act of Barbados.

We are once again heartened to extend our gratitude for the continued assistance, commitment and confidence exhibited by our stakeholders, particularly staff, customers, producers, reinsurers, regulators and shareholders. We look forward to our continued co-operation, teamwork and mutual future success.
