The Government of Barbados and the Government of Jamaica (hereinafter referred to as the “Participants”):

Convinced that closer co-operation between the Participants will enhance the process of regional integration within the Caribbean Community,

Further persuaded that this co-operation will help to facilitate the realization of the CARICOM Single Market and Economy

HAVE come to the following understanding:

PARAGRAPH I

The Participants will promote co-operation between Barbados and Jamaica through programmes and projects as decided by the Participants. Such co-operation may be implemented by the public authorities in Barbados and Jamaica, or through the intermediary of public corporations or such private companies or organizations as may be determined by the Participants.

PARAGRAPH II

8. To develop collaboration and exchange programmes in the fields of youth and community development;
9. To collaborate in pursuing the campaign for Reparations for African enslavement; and
10. To provide such other co-operation as may be agreed on by the two Participants from time to time.

PARAGRAPH III

The terms, conditions, financing and execution procedures for programmes and projects will be determined through specific agreements between the relevant organizations of both Participants.

PARAGRAPH IV

1. For the purpose of implementing the present Memorandum of Understanding (“MOU”), a Joint Economic, Technical and Cultural Co-operation Commission (“the Commission”) will be established and will meet alternately in Jamaica and Barbados. The first meeting of the Commission will take place within one year of the entry into force of this MOU, and the Commission will thereafter meet on a regular basis.
2. The Commission will be composed of the ministers of foreign affairs of both Participants and other representatives agreed upon or designated by the Participants from time to time. The ministers of foreign affairs of both Participants will alternate chairmanship of the Commission and the Commission will decide on the first chairperson at its first meeting.

 - c) regulate the forms of co-operation to which Paragraph II refers;
 - d) review the progress of co-operation between Barbados and Jamaica and make proposals to the Participants concerning existing programmes and projects and new programmes and projects that could be undertaken.
4. The Commission will determine its own rules of procedure at its first meeting.
5. The Participants may decide to convene any meeting of the Commission via videoconference.
6. The Participants will be responsible for their respective costs associated with participation in the Commission, unless otherwise agreed in writing.

PARAGRAPH V

Programmes and Projects to be implemented under this MOU, and the modalities therefor, will be set out in a Work Programme to be prepared at the end of each meeting of the Commission.

PARAGRAPH VI

1. The focal point for the execution and evaluation of co-operation under this MOU will be the respective ministry responsible for foreign affairs of each Participant.
2. The focal point will endeavour to be available for consultation and will give each other such relevant information on the co-operation as may be reasonably requested.

PARAGRAPH VII

The Participants acknowledge that any information exchanged which has been identified by the Participant providing the information as confidential, or which by its nature appears to be confidential, will be treated as confidential unless otherwise agreed and will not be disclosed to any third Participant without first obtaining the written consent of the Participant providing the information, except for information that:

- (a) is in the public domain (other than through the receiving Participant's disclosure); or
- (b) either Participant is under an obligation to be disclosed pursuant to the applicable laws of that Participant or a court order issued by a court of competent jurisdiction.

PARAGRAPH VIII

If either of the Participants considers it desirable to amend any provision of the present MOU, it may request consultation with the other Participant. Any amendment so agreed upon will come into effect after the exchange of letters or notes to that effect between the Participants.

PARAGRAPH IX

1. Any dispute arising out of the interpretation of this MOU will be settled amicably through consultations or negotiations between the Participants through diplomatic channels.
2. Nothing in this MOU will be considered to be a derogation of any of the rights, privileges or obligations of the Contracting Participants under the Revised Treaty. The implementation of this MOU, including programmes and projects thereunder, will be done in a manner consistent with the Revised Treaty and the Participants' respective international and domestic legal obligations which may be applicable.

PARAGRAPH X

1. This MOU will enter into effect on the date of signature.
2. This MOU will remain in effect for a period of five years from the date of its entry into effect and will be automatically renewed for similar periods unless one of the Participants gives written notice of termination. Such termination will take effect six months after the date on which it is received by the other Participant.
3. All programmes and projects undertaken pursuant to this MOU prior to the effective date of termination will be continued without prejudice to any

benefits accruing under this MOU unless the Participants decide otherwise.
