1. Incorporation and business activities of the Group

Trinidad and Tobago Insurance Limited ("the Parent") is incorporated and domiciled in the Republic of Trinidad and Tobago and is a wholly owned subsidiary of ANSA Merchant Bank Limited, whose ultimate parent is ANSA McAL Limited. The Trinidad and Tobago Insurance Limited Group ("the Group") comprising of the Parent and three subsidiaries, Tatil Life Assurance Limited, Tatil Re Limited and Colonial Fire and General Insurance Company Limited, carries on the underwriting of all classes of long-term and short-term insurance business and the rental of properties. The Parent was continued under the provisions of the Companies Act, 1995 on 6 October 1999. Its registered office and principal place of business is located at 11 Maraval Road, Port of Spain.

2. Significant accounting policies

i. Basis of preparation

These abridged financial statements of the Group have been derived from the audited financial statements of the Tatil Group. The audited financial statements of the Tatil Group were prepared in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB). All of the notes necessary for a fair presentation in accordance with IFRS have not been included in these abridged financial statements. The full audited financial statements can be accessed at each of the Company's offices during normal business hours in accordance with section 80 (2) of the FIA and section 152 (2) of the IA.

Disclosures in the notes to these abridged financial statements are limited to those matters considered to be material and necessary to present a true and fair view of the Group's performance.

These abridged financial statements have been prepared in accordance with the accounting policies set out in the respective notes of the audited financial statements consistently applied from period to period, and that all new and revised accounting standards and interpretations that are mandatory for the period under review and which are relevant to the Group have been adopted.

The abridged financial statements are presented in Trinidad and Tobago dollars (TTD) which is the functional currency of the Parent and all values are rounded to the nearest thousand, except where otherwise indicated.

The Group's management has made an assessment of the Group's ability to continue as a going concern and is satisfied that the Group has the resources to continue in business for the foreseeable future. Furthermore, management is not aware of any material uncertainties that may cast significant doubt upon the Group's ability to continue as a going concern. Therefore, the consolidated financial statements continue to be prepared on the going concern basis.

ii. Change in accounting policies and disclosures

IFRS 17 Insurance contracts

In these financial statements, the Group has applied IFRS 17 Insurance Contracts for the first time. IFRS 17 replaces IFRS 4 Insurance Contracts for annual periods beginning on or after 1 January 2023.

iii. Contingent liabilities

In the ordinary course of business the Group is involved in various legal claims and proceedings. Provisions have been established, where necessary, based on the professional advice received. While it is not practical to forecast the precise outcome of pending or threatened legal proceedings, management is of the view that final determination of such proceedings will not have a material impact on the financial results and financial position of the Group.

3. Related party transactions and balances

Parties are considered to be related if one has the ability to control or exercise significant influence over the other party in making financial or operational decisions. The Parent is owned by ANSA Merchant Bank Limited, whose ultimate parent is ANSA McAL Limited. A number of transactions are entered into with related parties in the normal course of business. These include insurance coverage and property rental and were carried out at commercial terms and at market rates.
